Dating with Decorum in the Digital Age

**Select a Friday 6/23, 7/21 or 8/25
7:00pm to 9:00pm
Cost Investment: \$165.00**

Finding love in the digital age is no easy feat, especially when the initial conversation isn't a conversation at all, rather a text or sext spewed in the wee hours of the night. A lasting relationship simply cannot be conducted over a smartphone. It requires regular face-to-face interaction, the ability to read emotion, and engage in shared experiences over a period of time.

Our "Dating with Decorum in the Digital Age" program will review your responsibility in the relationship, as well as help you to feel confident setting standards for your future mate. The goal is for you to feel comfortable, exude self-respect and achieve the optimum results you desire so that you do not accidentally scare off a potential mate before you even complete your first date.

Program Highlights Include:

- The First Date
- Setting the Tone Beforehand
- Brushing Up on Current Events
