“Dine Like a Guest at Downton”
Formal Dining Skills to Impress the Best
Select a Tuesday: 2/28, 4/11 or 6/13
7:00pm to 9:00pm | \$165.00 per person

The television show, “Downton Abbey,” helped breathe new life into the importance of good manners. From the pride and care taken to set a beautiful table, to the order and placement of the dining implements, and the way in which food was administered into the mouth, the formality of the dining experience was to be respected and honored.

During this 2-hour intensive tutorial, participants will relish in the details of setting a proper table and delight in the historical etiquette rules associated with some of our most popular dining conventions. Upon completion, participants will feel passionate about dining as they happily navigate their way around a table from the most casual situation to the height of formality. A multi-course meal will be served providing plenty of practice and application. A cost investment of \$165.00 per person includes dinner and a glass of wine.
