"Dine with Decorum" for Kids

Select a Saturday
3/18 or 5/27
12:00pm to 1:30pm

Table manners and fine dining skills are one of the greatest tools children can learn from a young age that will allow them endless opportunities and unlimited invitations. During this hour and a half intensive tutorial, children will discover a passion for dining. They will relish in the details of setting a proper table and delight in the historical etiquette rules associated with some of our most popular dining conventions. Not only will they learn to chew with their mouth closed and keep their elbows off the table, they will gain a newfound confidence in knowing how to navigate their way around a table from the most casual situation to the height of formality. A multi-course meal will be served providing plenty of practice and application.
