Teens are acting out more and more these days, and our casual society combined with a general lack of respect for authority has only made matters worse. Modern times call for modern measures, and we have just the remedy.

“Modern Manners for Today’s Teens” addresses such timeless etiquette topics as first impressions and introductions, while also taking an in-depth look at the tremendous impact digital technology has on their everyday actions and behavior.

Real life examples and interactive exercises are incorporated into this comprehensive 3-hour program to help drive the point home. A multi-course dinner is included allowing teens plenty of opportunity to practice their dining skills and table manners.

Program highlights include:

- Attitude, Respect & Consideration
- First Impressions
- Posture, Grooming & Attire
- Greetings & Introductions
- Handshaking, Eye Contact & Smiling
- Cell Phone & Email Etiquette
- Social Media Manners (FB, Twitter, Instagram, YouTube)
