Celebrate Mother’s Day early with a special Mother & Daughter tea at the beautiful Peninsula Hotel in Beverly Hills.

Tea is a social beverage and, as any social situation, it calls for manners. In fact, the ceremonies of teatime can raise our manners to the pinnacle of refinement. Its charm lies in the little niceties that are associated with the eating and the drinking of the tea service as well as the socializing and conversation. A sense of leisure and civilized behavior is assumed and when the effort is made to prepare and serve tea properly it is a truly enjoyable experience.

Join us for an afternoon of learning about the history and tradition of taking tea along with the various courtesies that are associated with any tea gathering. A formal tea service will be served including a selection of tea sandwiches, pastries and scones as well as an assortment of the finest black, green and herbal teas.
