“The Business Lunch” Business Dining Etiquette for Professionals

Select a Friday, 9/19, 10/27 or 11/17
12:00pm to 2:00pm

Cost Investment: \$165.00 includes lunch

Today more business is conducted over restaurant tables than in offices because it is at the dining table where relationships are solidified and the bridges of trust and understanding are constructed. Students graduating from the top business schools, as well as seasoned executives, are returning to the table to learn their do's and don'ts because to be successful in business one must also be proficient in all aspects of table dining.

“The Business Lunch” program educates participants on the importance of positive first impressions in the business world and covers all the skills of the table during a 5-course luncheon dining tutorial.

This special course is designed to improve communication and presentation skills to maximize business goals and enhance relationships with clients, employers, associates and friends.

By developing positive and powerful social skills in the business lunch setting, participants feel more comfortable and confident in all of their personal and professional relationships.

Additional specific course topics include:
